TATTERSALL'S
SPORTING GALLERY

Three Club members were inducted into Tattersall's Sporting Gallery in April.

Eddie Charlton, Simon Poidevin and Sir Nicholas Shehadie are the most recent Club members to be included in the Gallery. Only members of the Australian Hall of Fame qualify for inclusion, and there are no other members of the Club presently eligible.

Eddie informed the members at the luncheon of the move to the game of pool worldwide and the push to have a cue game included in the Olympic Games.

Simon spoke on the move to professional rugby and the natural progression of a 'good product' being bought by the commercial world and the performers being paid from the enormous gate takings.

Sir Nicholas Shehadie opened by saying in his rugby playing days, the entire ethos was the enjoyment of the game, the fraternity that developed over the years and it wasn't his business, it was his 'love'.

A great contrast that highlighted the differences between individual and team sports and the changing face of rugby.

BILLIARDS & SNOOKER

Snooker Handicap

The Snooker Calcutta was held on Monday 10 April and was by all accounts another tremendous success. Doug Jordan performed wonderfully as auctioneer and also succeeded in attracting a new record in calcutta ticket sales prior to the auction. As a result, the approximate prizes for 1995 are as follows; 1st prize this year \$35,000, 2nd prize \$6,500,

NEWSLETTER

3rd and 4th prize \$3,300 with \$650 to the 5th thru 8th placegetters. In addition, there are trophies for 1st, 2nd and 3rd placegetters. Bill Hurley and Bruce McHugh have once again provided the 1st prize trophy of a beautiful cutlery set, 2nd place also receives the Ken McDonald Memorial Trophy donated by Peter Twigg and 3rd prize receives the Don Griffiths Memorial Trophy donated by Adrian Griffiths. The Snooker Sub-Committee also provides cash prizes of \$400, \$200 and \$100 for 1st, 2nd, 3rd and 4th respectively.

Christmas Handicap

The Christmas tournament has been sponsored this year again by Rod Morton who has donated a men's Seiko watch for 1st and 2nd place.

The entry fee will be \$100 and there will be a 1st of \$5,000 and \$1,000 to the 2nd placegetters. Nominations will be called for in due course.

Crystal Challenge

The Snooker Sub-Committee is pleased to advise that Eddie Crane has very kindly offered to sponsor three doubles tournaments to be known as the "Crystal Challenge". Eddie has generously donated for each of these days, two sets of glasses for the 1st place pair and two bottles of Johnny Walker for the 2nd placing pair. In addition, the Snooker Sub-Committee will provide \$500 to the winning pair and \$250 to the 2nd placed pair. The first of these days will be held on Thursday 22 June.

SWIMMING

Super effort by a fine young swimmer Adrian Mitchell saw him not only win the Month 3 "Dewars Award" handsomely but also jump to the lead in the Annual Point Score and move to within 11 points of Bruce Fallshaw in the 100 metre event. More kms Bruce if that's possible!

Nice to seek Mike Saunders, Bruce Baird, Chris Cahill and Tony O'Gorman rejoining us at the poolside.

Some of the swimmers who broke 30 seconds for 50 metres during the month were Bruce Fallshaw, Russell Debney, Justin Herlihy and Andrew Wheeler (fresh from his honeymoon).

Diary Note: 23 May 1995 - Tatt's Swimmers lunch "on" Tatt's Swimmers at the poolside buffet for financial members.

WHITE SHIRTS AND?

(NEXT DOOR TO TATTERSALL'S)

The white shirt is a Good Thing. Always have some. But if you never wear anything BUT white shirts (or a cliche stripe-on-white) with your executive suit, you can become a bit ho hum and this is not a Good Thing.

European men are very much into giving a fresh lift to an Old Faithful Suit by putting some thought into a subtly-patterned shirt in a low-key colour.

Suggestion: walk into V.M. wearing your O.F.S. and challenge the Maloney Men to produce the shirt that will raise the suit's status but nobody's eyebrows. Less than \$200 V.M.

EPICUREANS

Tattersall's Epicureans first dinner for the year was held on Friday 7 April and as expected was a highly successful and memorable evening with about 80 members and their guests attending the function.

Tyrrell's wines were exceptional complimented with a well planned menu.

The effort in which the Executive Club Chef and his team go to is often taken for granted. For example the tea smoked salmon was smoked in their kitchen painstakingly spread over the day in small smoke boxes.

Murray Tyrrell, Chairman and Chief Winemaker of Tyrrell's Wines, is a dynamic speaker and lived up to his reputation on the evening.

Murray is known as the voice of the Hunter and the Australian Wine Industry. He spoke with authority and at the same time entertained us, drawing from his experiences from his colourful background in the industry.

Towards the end of the evening Murray spoke for the second time and invited questions from members and their guests.

He is known as the 'Father of Australian Chardonnay and Pinot Noir', and also responsible for developing and introducing Australia's first commercially produced chardonnay and pinot noir wines. The evening was a night that will be well remembered.

In the left hand corner, representing the swimmers, we have Arthur O'Connor. In the right corner, representing the snooker players, Doug Jordan - the result, a few hours of quiet enjoyment.

COURTESY TELEPHONES

The Club have installed courtesy phones for the use of members, free of charge. The phones are restricted to local calls only. Interstate and overseas calls may be made from the pay phone in the phone booth on level 2.

The courtesy phones are located on the ground floor foyer ante room, the second floor phone booth and on the counter of the poolside area. There are no courtesy phones on the third floor, however the pay phones have been retained in the ante room of the ladies' and gentlemen's toilets.

MOBILE PHONES

Members are respectfully reminded that the use of mobile phones is discouraged in the Club. They may only be used in the telephone booths on the second floor and in the anterooms to the rest rooms on the third floor.

EPICUREANS' COMING EVENT

Friday 16 June 1995

'The clock has turned around a full circle'

With our inaugural dinner held on 13 November 1993 and the opening of the new Club Rooms, Arrowfield proudly showed off their wines.

On Friday 16 June we will again be sharing some of Arrowfield's well-chosen wines combined with a menu to match.

Nicholas Whitlam, the Chairman of Tattersall's Club, and his wife Judy will be attending and Nick will be our guest speaker for the evening.

We are looking forward to seeing new members joining us for this very special night.

TATTERSALL'S CLUB COLLECTORS MIXED DOZEN \$198.00

Each of these superb wines have been specially selected to reflect the individuality of two of the Hunter Regions most respected wine makers. The fruit has been sourced from Australia's premier wine growing regions but predominantly Hunter fruit is used. All have the potential to benefit further from bottle age, but are excellent drinking now.

FROM ARROWFIELD WE HAVE SELECTED

SHOW RESERVE CHARDONNAY 1993

Matured in both French and American oak with the induction of malo-lactic fermentation which has resulted in a complex palate, medium straw colour and full varietal bouquet.

SHOW RESERVE SEMILLON 1993

Hunter Valley fruit, with the addition of Barossa and Cowra fruit have made a wine with rich toasty character and buttery oak complexity. The palate displays citrus like fruit flavour with a crisp dry finish.

COWRA SAUVIGNON BLANC 1994

Early harvest of the grapes resulted in the preservation of fresh fruit flavours and herbaceous varietal aromas. Light straw in colour with good acid balance, this wine will develop more complexity with age.

FROM TYRRELL'S WE HAVE SELECTED

VAT 47 PINOT CHARDONNAY 1993

This wine has become Australia's most successful chardonnay style both here and overseas. Awarded 'Best Chardonnay' at the 1994 International Wine Challenge - London.

VAT 1 SEMILLON 1989

The Vat 1 Semillon vintages have picked up two championships, four trophies and forty six gold medals at various shows world wide. The top semillon of each vintage from very old vines.

OLD WINERY CHARDONNAY 1993

This wine combines distinctive chardonnay flavour with classic French oak character to produce a wine in the true white burgundy style.

TATTERSALL'S CLUB MEMBERS' DOZEN \$95.00

CHARDONNAY 1994

Top quality Hunter fruit, picked young to ensure optimum flavour and acid levels has resulted in a well balanced wine with new oak overtones on the nose and a clean crisp finish.

SHOW RESERVE SHIRAZ 1991

Full bodied and firm with rich berry fruit flavours, well balanced pepper and spice overtones with integrated oak. Excellent cellaring potential for 4-5 years. Delightful drinking now.

SHOW RESERVE CAB SAUVIGNON 1991

The bouquet and flavour are distinctive cabernet with a long soft delicate finish. French and American oak are evident on the palate yet retains great richness and depth.

ARROWFIELD SHIRAZ CABERNET 1993

Fresh lifted cabernet fruit is displayed on the nose accompanied by the distinctive pepper and spice of shiraz. Underlying, well integrated oak adds further complexity to both the nose and palate.

VAT 6 PINOT NOIR 1990

Pioneered by Murray Tyrrell in 1973, Vat 6 gained world recognition in 1979 by winning 'Gault et Milleau World Olympics of Wine'.

VAT 9 SHIRAZ 1989

Rich peppery characteristics with subtle oak are the trade mark of this classic Hunter style which is renowned for the power and longevity of its fruit.

OLD WINERY CABERNET MERLOT 1992

A complex wine, lighter in style than traditional Australian reds with new oak adding further character. The old winery blend was awarded two trophies, eight gold and thirteen silver medals.

CABERNET SHIRAZ 1992

Predominant cabernet fruit on the palate with a subdued nose of black pepper. Medium in body with light tannins and a dry finish, superb drinking now.
